Curriculum News

English: We have been looking at describing characters this week in our Literacy sessions.

We met some interesting and very different characters on Tuesday which helped us to write some fantastic descriptions later in the week.

Maths: We have moved on to looking at subtraction problems involving two and three digit numbers this week.

We have used number lines to help with our calculations.

Science: In science this week we have been investigating food chains.

We discussed where our food comes from and how it gets there.

Reminders and notices

Carol and kindling evening: Thursday 19th December from 5-6pm. Starting in the school hall and processing across the road to Addison Court where we will sing. The children will have collected and sorted kindling for you to buy with all proceeds going to the school Christmas Charity.

Christmas Play:

We are really excited about our Christmas play. This will be running from the week starting Monday 2nd December until Thursday 5th. Shackleton and Nightingale are performing Monday and Tuesday and Keller and Mandela are performing Wednesday and Thursday. More details to follow.

How would you describe these three?

This Friday we had out Christmas Fluffy! We know it seems really early to us as well. It was the only time available in our incredibly busy schedule. The children had a lovely day making cards, advent calenders and entering The Dream Home competition. The winners will be displayed in Curchods Estate Agent's window.

We hope you have a great weekend! Nick, Claire and Ginnie
