

Curriculum News

English: This week in our English sessions we have been thinking about planning a disaster story. We have focussed on the structure that our story might take. On Thursday and Friday we moved on to using our plan to help us write!

Maths: We have been continuing our work on subtraction focussing on finding the difference. We have been using number lines to help us choose appropriate jumps to reach a target number.

Science: Animal classification has been our focus in science this week.

We have been learning about mammals, amphibians, fish, birds, reptiles and insects.

Reminders and notices

Carol and kindling evening: Thursday 19th December from 5-6pm. Starting in the school hall and processing across the road to Addison Court where we will sing. The children will have collected and sorted kindling for you to buy with all proceeds going to the school Christmas Charity.

Christmas Play:

We are really excited about our Christmas play. This will be running from the week starting Monday 2nd December until Thursday 5th. Shackleton and Nightingale are performing Monday and Tuesday and Keller and Mandela are performing Wednesday and Thursday. All children need to be in school by 6:30 on the evenings that they are performing. Parents are welcome at that time too for pre performance drinks as there will be no interval. It is expected that the children can be collected by 8pm.

As we have always done there will be an optional late start on Friday 6th. The children can arrive at any time between 8.30 and 10.30 and they should come straight to the Chapel for some festive celebrations. All children need to be in to school by 10.30.

Pewley Christmas Production

The year 3 children will be going to watch the Pewely play on Tuesday 10th December. If you have a child at Pewely you are most welcome to collect your Holy Trinity child from Pewely. Please let your class teacher know in advance!

We hope you have a great weekend! Nick, Claire and Ginnie
