

Maths

We have been practising our money skills this week. Help your child to make an amount of money in different ways (ie how many ways can you make 20p, 50p, £1 ?)

Friday 8th November 2013

Topic Fun

We hope you had a restful half term and thank you to the children who wrote diaries over the holidays! As we near the end of our Fire topic we are looking forward to our very own Great Fire of Pewley. The children have enjoyed using our Pudding Lane houses for role play and recreating their own interpretation of the events of 2nd September 1666.

Things to Remember

St Pauls' Trip Friday 15th

Children should wear smart school uniform and bring a packed lunch, snacks and drink. They will need a coat but NOT hats/scarves/gloves!

Please meet us in the playground at 8.45am where we will do the register and get straight on to the coaches. We are due back at school at 4pm.

Great Fire of Pewley Tuesday 12th

Fingers crossed we will be setting fire to Pudding Lane at about 2pm. Come for 1.45pm in the car park.

Parent Consultations

Look out for your appointments coming home soon. We are looking forward to meeting you again.

Reading

Group Reading— we would appreciate more volunteers, so if you can spare half an hour from 8.45am on Mon, Tue and Thurs, please sign up soon.

We will provide details of the children's sessions next week.

We are very pleased with the way you have helped your children with their new reading challenges as we encourage children to develop their higher order comprehension skills with books they can comfortably read.

I'm Bored Box

Make a pretend shop with your teddies, label your items with various prices and use real money to work out which coins you can use.
