

Oak and Beech Class  
20th November 2015

### School Christmas Play

You should have had your costume letters by now, so do let us know if you haven't seen one yet! We are starting practising every day now and the children are very excited. **Costumes need to be in school on Tuesday 1st December.** Please name everything!

Dear Parents

We had a wonderful time on our trip this week. The children loved the museum playing with the (very) old toys and dressing up as Victorian children. We played 'Oranges and Lemons' and sorted toys into the types of materials they were made from. In the Victorian Schoolroom we learned about how strict the teachers were! The children made paper hats and wrote on old fashioned black boards.

Thank you for supporting your children with the 'Sound of the Week' books, we have been impressed with how hard the children are working on their phonics!

Sarah and Sheena :))

### Maths

This week we have been exploring 2d and 3d shapes. The children have been practising the vocabulary: 2d: side, corner, straight, curved 3d: edge, corner, straight, face, curved.

**Can you find 2d and 3d shapes at home? Do they have curved or straight sides? How many of each? Which is the most common shape? Why do you think that is?**

### House Poetry Competition

Don't forget - on Tuesday the children will be sharing their favourite poems from home in a special House assembly. If your child would like to memorise a poem to recite then we would love to hear them!

### Parent Consultations

Thank you for coming to talk with us about your lovely children! We really enjoyed meeting you all.
