

JTLYK RECEPTION
FRIDAY 11TH NOVEMBER 2016

House Music Activities Friday 2 December

As part of our regular House activities we are giving the children the chance to show case their musical talents in the supportive atmosphere of a House Assembly! If your child plays a musical instrument (or sings) and would like to play to a small group of children then please let us know. All of the children will be given the opportunity to take part in fun musical activities, listen to classical music and experiment with percussion instruments.

Parent Consultations Next Week

We are really looking forward to meeting you all next week! You should have had your appointment times by now. Please note that these are 10 minute appointments, and we try very hard to keep to this time so as not to inconvenience parents with later appointments.

Dear Parents

This week the children have been working very hard at writing their names. Please support your child at home with naming and writing all the letters in their name. Also, when reading together at home, try to spot these letters on the page. We have had lots of fun making our (pretend!) campfires this week. Then everyone helped to make a big class story so that we can read them whilst warming our toes around the fires next week. The children have also enjoyed making stunning firework and campfire pictures - well done everyone!

In Maths the children have been learning to recognise numbers under 20. When you are out and about together, see how many numbers your child can spot on front doors, registration plates or remote controls!

Have a lovely, safe weekend.

Reception Team :))
