Friday 2nd November

Maths Stay and Play!

We do hope that lots of you will be able to join us on Wednesday morning from 8.40-9.40. You will have plenty of time to see how we teach maths and to play with your child both inside and outdoors.

Wild Place Helpers

Please sign up if you can possibly help between now and Christmas. We need 3 parent helpers per class each week.

Dear Parents

The highlight of our busy first week has been our Harvest Assembly with the whole school yesterday. The children were absolutely brilliant at sitting, listening and taking part in the 'Oats and Beans and Barley' song. We are very proud of them!

This week in maths we have been learning how to count up to six objects from a larger group of 10. We needed to remember to count carefully and to read the numbers correctly. At home, ask your child to count out quantities of cereal or pasta from small containers or bowls.

This week you should have received your Parent Consultation forms to fill in and return. If you haven't received one yet please let us know and we can send you another one. Appointments will be sent home on Wednesday next week.

Believe it or not we will be letting you know all about the Christmas production very soon! Reception children will be taking the parts of shepherds, sheep and angels. We will be asking for you to provide simple costumes and will let you know next week which part your child will be playing.

Have a great weekend and hope to see you at the HT Bonfire tonight!

Reception Team :))
