

# Just to let you know...

Dear Parents,

This week we have learned all about Hadrian's Wall. We met a Roman soldier who was stationed on the wall and watched clips from documentaries, making notes on what we learnt. We used this information to imagine that we were a Roman soldier on Hadrian's Wall. We wrote a letter to our family back home and told them about life in the army on Hadrian's Wall. The children were so creative as well as being careful with their spelling and grammar. What super-stars they are!

In maths we have been learning about multiplication this week. Ask your child if they can show you how to use the grid method e.g. to multiply  $39 \times 3$  or  $27 \times 4$ . We have also talked about what happens to a number when you multiply it by 10, 100 or 1000.

Have a lovely weekend,

Sarah, Nick and Emily

## Key dates:

Friday 7th December.

We have an optional late start. The children may arrive up to 10.30am.

Friday 7th December

School Christmas lunch. Please return any forms to let us know if you would like to order a lunch.

## P.E. Kit

Please make sure warm layers are available for P.E. as the weather has become rather chilly!

## Year 4 Spellings

Please learn the following words:

heard, learn, earth, appear, disappear, heart.

Have a close look at how the trigraph 'ear' is pronounced differently in these words even though it is spelt the same way. Try practising by writing the words in bubble writing.

## Christmas production

### Oliver!

We have been busy learning our Christmas play songs and learning our stage performances. We have sent the lyrics home as homework for this weekend so please encourage your child to learn the words. The Year 4 children all need to learn both of these songs.

Letters about the costumes for the play came home this week. If you didn't get one please let us know and we'll make sure you get the information.

Please see the school newsletter and website for details of how to order tickets.
