

Just to let you know...

Dear Parents,

In English this week we have continued to learn about the battle between Boudicca and the Romans. We were lucky enough to meet Boudicca and her daughters in person! The children have written their own incredible speeches to rally the troops to fight against the Romans! We were amazed at the passion that they were able to conjure up. Very well done to them all.

In maths we have focused on division. The children have worked really hard this week and enjoyed the challenge! We began the week recapping multiplying and dividing by 10, 100 and 1000 and then used number lines to divide. Ask them to show you how they did this.

We have also all now finished sewing our Roman bullas - fabric pouches that Roman children used to wear. The children learned blanket stitch and also how to sew on a decorative button. Have a lovely weekend and we hope to see you at tonight's Christmas fair.

Sarah, Nick and Emily

Christmas production

Please make sure your child is at school by 6.45pm (no earlier than 6.30pm) on the nights that they are performing. The play should finish by approximately 8.15pm. The timings will be confirmed by parent mail and/or the main school newsletter. The Year 4 children will need to be dropped off and picked up from 5L..

Homework

Please see maths homework in the purple homework books. This should be returned by Thursday.

Spellings

young, touch, trouble, country, blood, does

Please learn these words for next week. Look carefully at how the 'u' sound is spelt in each of them. E.g. in the word young it is spelt with 'ou'.

Reading Records

Thank you for your efforts with Reading Records. Please continue to read with your child, write it in their Reading Record and ensure they complete a reading task each week (handed in every Wednesday).

'Barvember' has been a great addition to our maths lessons in November. Well done to Year 4 for trying their best to solve problems everyday using bar models.
