

JTLYK Reception
Friday 9th November

Phonics

This week we have learned the sounds **u,r,h**
Now that we are starting to read it is really important that you re visit these sounds (in the back on the jtlyk books) every week.
The children have really enjoyed earning Lego cards as a reward for writing Inky Mouse some CVC words on a rocket!

Please could you save and send in any kitchen towel tubes next week as we are hoping to make our very own cars!

Christmas Play

You should by now have had a letter about your child's costume for the play - please let us know if you have not!

School Disco!

We hope to see you at the School Disco on Saturday evening - see Newsletter for details.

Dear Parents

Thank you so much for coming and joining our 'Stay and Play' maths morning on Wednesday. It was really super to see so many enthusiastic, supportive parents here!

We are really looking forward to seeing you all at your first Parent Consultations next week to chat about your child's time with Reception so far. When you arrive for your appointment please check in at the front office and then make your way to your child's classroom to look at their work. You can do this either before or after your appointment. If you find you cannot make it please ring the school so that we are not waiting for you.

We had a visit from our local community nurses yesterday who came to talk to the children about the importance of hand washing. Ask your child to show you the 'hedgehog'!

We had a lovely time at the Wild Place yesterday in the autumn sunshine. We were hunting for pictures of cvc words (eg cat, pen, box) and the children practised saying the beginning sound using their phonics. Please sign up to help for the next few weeks if you can.

Have a restful weekend!

Reception Team :))
