

Just to let you know...

Year One: Beech and Oak (12.10.12)

Sound of the Week

This week the sound is oa. See if you child can read all the 'oa' words in their 'Sound of the Week' book. We made toast at school and wrote 'toast' on our white boards while we waited for it to be ready. Think of some 'oa' words and write the down while you make toast at home.

Fluffy Friday

We are so excited about our first Year One Fluffy Friday which is on Friday 19th October. Just drop your forms off at the office if you haven't yet done so.

Maths Focus

This week we are going to be thinking about 2d shapes i.e. squares, rectangles, circles and triangles. We are learning to describe them using the mathematical terms for their properties e.g. a square has 4 straight sides and 4 corners. Be a shape detective at home and describe the shapes you find in your bedroom, in your dinner or at the swimming pool!

Thanks for coming to maths evening this week. We hope it was helpful. Please pop in for a booklet if you weren't able to come along.

Dear Parents,

We have had a busy week this week planning for some more visitors. This time we have invited the new reception children to come and see us. The children wrote invitations to their Yr R buddies which they are going to deliver themselves. They have also written their very own books called 'All About Me' to share with Yr R when they come to visit. We can't wait! Next week we are going to plan, make and decorate some biscuits to share with our little friends.

Have a lovely weekend,
Emily and Hannah x

200th celebration Friday 19th October

As part of Fluffy Friday next week we are going to have a giant picnic on the downs with the juniors to celebrate 200 years of the school. If you are able to come along with us please let us know. The more the merrier!
