

Curriculum News:

English: We have written some very persuasive speeches to Noah. This week we have been editing and improving our work. We have used our dictionary skills to help with spelling and have thought about using powerful words.

Maths: We have started our work on addition. On Monday the children went onto the playground and used chalk to draw out their calculations. We have started our addition work using a number line and counting on from the biggest number. For our mental starters we have been focussing on methods for doubling numbers.

Reminders and notices

Thank you for your kind donations for our Harvest Assembly. We are supporting Guildford Action and the Syria appeal this year.

Friday the 18th of October is our first Fluffy Friday of the year. The children have made their choices and will be told which activity they are doing soon. If the activity involves leaving the school grounds a permission slip will come home with your child. Otherwise the children come into school as normal in their own clothes. We ask that everyone makes a £1 donation to the cost of running the activities. Some activities may require further funding.

We are still busy practicing and learning lines for our production of 'Splash'! We look forward to seeing you all on Tuesday 22nd October at 2pm in the chapel. The children may come as any animal they want. Please speak to us if you are unsure of costumes.

Spelling

- | | |
|----------------|--------------|
| <u>Rabbits</u> | <u>Ducks</u> |
| chuckle | sensible |
| prickle | responsible |
| tickle | possible |
| noodle | horrible |
| poodle | terrible |
| bundle | trickle |

Topic Words

rain, flood, weather, peace

Our trip to Marwell Zoo

We had a fantastic day at Marwell Zoo! A big thank you to the parents that helped out. The children learnt lots of interesting facts and got to see a wide variety of animals up close. The children were brilliantly behaved and have been inspired to continue their work on the Noah topic.
