

Just to let you know...

FREEDOM!!!

This week in English the children have been learning about speech writing. We showed them a variety of inspirational speeches from films and history (as you can see from William Wallace!). They then had a go at writing their own, from Boudicca's point of view. They had to get their troops fired up and ready for battle! Next week, pupils will have the opportunity to record their speech to then show the rest of the class.

Dear Parents,
The homework task for this week is for your child to write a recount of their FLUFFY experience. A few reminders have been stuck into their reading journals. This is due in on Monday.
Have a great weekend,
Mel, Julia and Sheila.

4M will **not be swimming** next Wednesday, so will need to bring in their normal PE kit. Swimming will resume as normal after half term.

Roman Day on 4 November

We have a visit from a John Eagle, Roman Historian.
NB. No need to dress up.

Mathematics

In Maths this week, Year 4 have been learning how to solve subtraction calculations using the column methods. If you would like to support your child further, then have a look at the mymaths website under Level 3/4, 'Number', 'Add, Subtract Written' and then choose column subtraction.
