Just To Let You Know- Willow & Hazel

Next Week

Willow will be learning l, f and b
Hazel will be learning g, o and u
In Maths we will be looking at weight and comparing whether objects are heavy or light.
At home, you could sort different objects into heavy and light or even have a go at using scales if you have some in the kitchen.

Phonics & Sticking

Due to our early finish on Wednesday 23rd, we would love some help with sticking in phonics on the Wednesday morning if you are able.
Please speak to Sian and Sarah.
Do keep practising the sounds in the back of your books.

Year One visit

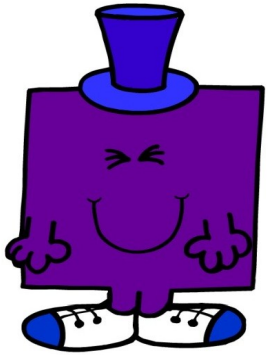
Willow and Hazel had a lovely time visiting Oak and Beech class on Thursday. It was great to make new friends and see the fantastic work they have been doing.
We look forward to doing it again some time soon-perhaps Year One could visit Reception!
Look out for pictures on the website.

Early Finish

Pewley school will be finishing at 12 midday on Wednesday 22nd due to INSET training and the Half Term break.
We have thoroughly enjoyed getting to know and working with your children this half term.
We hope you have a lovely holiday and we will see you again on Monday 3rd November!

Website games for a rainy day

www.phonicsplay.co.uk/PictureMatch.html (phase 2)
http://www.crickweb.co.uk/
('Initial sounds' level 1, 2 and 3)
('Count with Lecky')
('Fish Tank')



This week we have continued with our work based on the Mr Men books.
Little Miss Sunshine has been giving us some top tips on how to be kind and make other people smile-especially on the playground.
Mr Impossible can do all sorts of amazing things that you or I might think impossible! We've been imagining what we would like to be able to do if we were like Mr Impossible.
The children have also met 2 characters who are special to Pewley called **Mr Proud** and **Little Miss Grow** who help us with our day to day learning.
Do ask your child if he/she can tell you about them...!

PE

Julia our Games teacher says a very big 'Thank you' for your support with encouraging your child to dress and undress at home.
Please continue to do this. As more children are staying in the afternoons, it makes a huge difference if the children are as independent as possible!
