

Just To Let You Know...

Willow & Hazel

Junk Modelling

If you have any recycled cardboard, food boxes and containers, we would love to use them for junk modelling with the children.

Please can you practise putting on shoes and socks.

Lots of children are finding this tricky and we haven't been brave enough to try PE kit yet!

Thank you x

Phonics

Hazel will be learning c/k, e, and h
Willow will be learning r, m, and d

Do have a look at the sounds in the back of the JTLYK books with your children.

Can they show you the action or sing you the song linked with the sound?

They love playing i-spy and looking for the letters in their reading books too.

Below is a link demonstrating how to pronounce the different sounds we teach.

Wild Place

We had a lovely time building dens in the Wild Place this week.

See the photos outside the classrooms.

If you are able to join us, please let Sian or Frances know or sign up on the list in the corridor.

We leave at 1.30pm and will be back for home time at 3pm.

If you think you'll be helping fairly regularly, could you please see Jane in the office about getting a DBS form.

Mr Proud Cloud

In the corridor is a wallet of Mr Proud sheets. If your child learns to do something or experiences something new we would love to hear about it! It doesn't need to be in great detail-just a few sentences with a drawing or even a photo to add to your child's learning journey.
