

JTLYK RECEPTION
Friday 14th October 2016

Reading

We are very pleased with how well the children are trying hard with their reading! With the help of some lovely parents we are managing to hear everyone read once a week on our '**Reading Fridays**'. We will also be sending home the very first '**Key Words**' booklet inside the JTLYK next week. This is a list of important words that children need to learn rather than sound out eg **the, said, he, she.**

Remember that next week is a short week and the children finish school at 12 noon on Wednesday 19th. There is no PUPs provision that day.

Dear Parents

We have enjoyed learning some new songs—Heads, Shoulders, Knees and Toes, and, Three Little Puffer Trains this week. We have made paper plate faces, using mirrors to observe our own eye and hair colours. Lots of fun has been had in the Rainbow Room and construction areas with our model railways, station and ticket offices!

The children have been learning about 2d shapes and have hunted in the outdoor garden for hidden shapes. We also went on a shape hunt around school looking for real life examples, such as square window, switches, lights and signs.

Have a lovely half term break and see you on Monday 31st October!

Reception Team :))

Wild Place on Tuesday 18th October

We are very excited to be making our first visit to the Wild Place on Tuesday morning! We will leave school soon after Register and return by 11, taking our fruit with us.

Please make sure that your child has a weather appropriate coat and wellies.

Please make sure that your child has weather appropriate coats at school now that the weather is getting decidedly chilly! We would also be grateful if you could teach your child how to fasten their own zips and buttons as well as being able to turn their sleeves out the right way!
