

## This week...

We have had a great week thinking more in depth about life in 1666. On Tuesday we had a great time at the Farmers' Market, in the beautiful autumn sunshine! Thank you to all those who were able to help out on the day. The children learned so much from the questions they asked the stall holders, who were all so helpful and friendly too! In the afternoon we enjoyed tasting the produce we bought, and described our experiences of the market, and eating the different foods.

## Words of the Week

made make me  
my once one our  
people pull push

## Early Mornings

We are so pleased to see the children getting stuck into their Early Morning activities as soon as they are in the classroom each day. We are so enjoying seeing this growing independence, and the way this time each day is helping children with their readiness to learn, and their pride in what they can achieve.

## Maths Corner

We had a great time on Monday with our Year 2 Maths day. The children all explored 7 different Maths activities, and really enjoyed their investigations. Please see the photos in the Year 2 corridor to get a flavour of the day.

Thanks to the many parents who popped in on Tuesday to share Maths learning with their children.

This week we have also been collecting data by tallying, and thinking about how data can be useful to us.

## **JTLYK Year 2: Walnut and Chestnut**

### Great Fire of Pewley

**If you have any large cardboard boxes which you could donate to create the houses, please let Patrick or Emily know, and bring them to school in the week before half term (17th, 18th or 19th October).**

**Please remember our 1666 dress up day on Monday, 10th October. More details on last week's JTLYK, along with a few simple costume ideas :)**
