

**JTLYK Friday 5th October**

### **Fluffy Friday**

Next Friday 12th October Reception children will be doing Fluffy activities within the year group rather than with the rest of the school. However they will be able to wear Mufti (home clothes) rather than uniform.

### **Phonics**

This week we have learned the sounds  
**p i n**  
Please look out for the activities in the back of the jtlyk book.

### **£5 Cooking Money**

Please send in your donation as soon as possible thank you!

Dear Parents

What a busy week we have had: the children have continued to enjoy singing nursery rhymes with actions to help their counting; we have had a dough disco each day; everyone has had fun constructing with large wooden blocks in the Rainbow Room; we have made 'speckled frogs' with curly tongues and pretty 1,2,3,4 5 fish alive.

The children loved their walk to the Wild Place yesterday listening out for noises along the way.

Whilst there we took musical beaters and percussion instruments into the woods and made our own rhythms, listening for loud, quiet, quick and slow beats.

In maths this week we are helping the children to recognise numbers confidently. Please look for numbers on doors, supermarket and vehicle registration plates as you travel around this weekend.

Reception Team :))

### **House Assembly**

The children enjoyed their first House Assembly on Thursday morning. They learned about their own House Heroes and the exciting House events coming up this year. They also met lots of House friends from the rest of Pewley!

Please could you check that every item of your child's uniform, PE kit and bags are named as we cannot always match mislaid items with the correct child. This is distressing children and teachers too!
