

Just to let you know...

Reception

Hazel & Willow

Phonics

The children have enjoyed their first week of phonics and learning the actions really well!

This week Hazel class is learning the sounds s, a, t.
Willow class is learning p, i, n.

Please look out for your Phonics books with new sounds inside every Friday including details of the actions for you to practise at home.

Maths

This week we are working with numbers to 10. We are singing lots of counting songs and rhymes. We will be encouraging the children to use their fingers to help them relate to the numbers in the songs. Please see if your child can sing 10 little monkeys jumping on the bed.

Helpers needed...

People to help with sticking every Friday morning for phonics. Even if you can only spare 15 minutes we'd be grateful for your help —many hands make light work!

Cooking Corner

Thank you to everyone that has brought in a donation of £5 for the cooking money jar.

This week we are making...

Fruit smoothies!

Thank you so much for coming to the picnic on Friday. It was lovely to see the children sharing their books with you all!

26th September 2:30pm

Richard will be holding a meeting for any parents who are new to helping in class or going to the wild place. If you think you may be able to help out at anytime this year then please consider attending this meeting.

We are looking forward to taking our older children to the Wild Place on Wednesday afternoon....!
