REMINDERS

Thurs 4th Oct Marwell Zoo trip. Don't forget to fill in, and return the form. Your child will need to bring a packed lunch and will be wearing school uniform. A letter has been sent home.

CURRICULUM

In our literacy sessions this week, we have been looking at the features of news headlines and predicting the stories behind them. We have made up our own headlines relating to the Noah's Ark story. The children have created their own storyboards for this. We have been practising counting on and back in different steps using a hundred square. Identifying numbers that are 1/10/100 more/ less, and adjusting.

Our work on measuring and estimating continues. We have been using rulers and are beginning to look at different scales, trying hard to be accurate. Topic has been Science based and the children have experimented with floating / sinking different objects. The children have been learning some of the songs for 'Splash!' which we hope you will come and see on Tuesday Oct 23rd at 2pm.

SPELLING FOCUS

This week we have looked at the short vowel 'o' in the middle of words:-

*drop spot cost pond
frost lost plot cross
slot strong*

Don't forget to learn your extension words.
