

After drafting really professional holiday brochures the children are now finishing these off at home and on Monday we will be pretending to try out one of the holiday deals, imagining what may have gone wrong! They will then be writing formal letters of complaint.

**SPELLINGS— Using apostrophes for missing**

**letters:** it's I'm I'll they're you're haven't shouldn't we're could've we'll  
**Bonus words** dessert, desert , Amazon

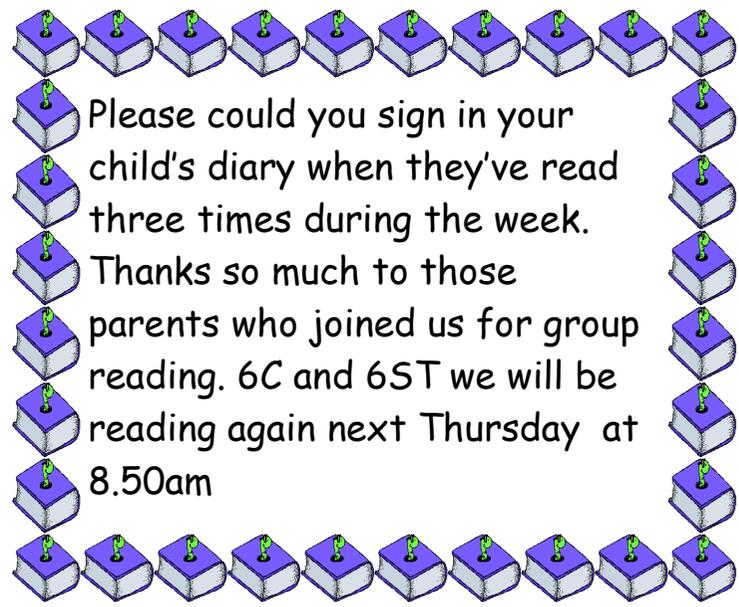

# Just to let you know...

**BIKEABILITY GROUP 4**  
**Starts Monday!**

Please see second page for a note about next Wednesday.

The children have been very creative this week, designing factfiles about the Amazon-rainforest. We have found out where in the world is rainforest and where it's desert. We are going on to study the Amazon River in closer detail to learn about features of a river. See if your child can tell you what these words mean:  
**meander, source, estuary, confluence, tributary**

Please could you sign in your child's diary when they've read three times during the week.  
 Thanks so much to those parents who joined us for group reading. 6C and 6ST we will be reading again next Thursday at 8.50am

Dear Parents,  
 We began our regular weekly spelling work this week. Please encourage your child to make sure they have learnt all the words by Monday for a test!  
 Best wishes  
 Clare, Mary, Sarah, Tracey and Helen

In maths this week, we have been consolidating written methods for subtraction and multiplication with some children also using these skills to solve worded problems.  
 In addition we have been using the words **factor, square numbers, prime numbers.**  
 Ask your child to give you examples.  
**Keep up the times table practice too!**

Dear Parents/ Carers

Ugandan Child Soldier Exhibition

Holy Trinity Church

Wednesday, 3<sup>rd</sup> October

Year 6 will be going to visit a photographic exhibition dedicated to Ugandan child soldiers next week. Although the style of the exhibit is intended to reach children of Year 6 age, it may still raise further questions for some children. So do please ask them about their visit.

Kind regards

Year 6 Team
