

# **Just to let you know**

## **Welcome to Year 3!**

The children have settled in really well to the start of term; they have been an absolute delight!

We have spent a great deal of time working on friendships and playtimes, really trying to ensure that the children have happy times and good relationships with each other. They have now met their Year 6 buddies.

## **Reminders**

**Monday 10th Sept:** Chantries Day with Year 6 buddies. Please remember home clothes, sunhat, suncream, trainers and a waterproof. All children will be back to school for usual home time.

**Wednesday 12th Sept:** 3G start swimming.

**Thursday 20th Sept. @ 7pm:** Curriculum Evening. We'd love to see you all!

Reading records-Fantastic to see so many children using these. We are still in the process of assessing their reading and helping them choose suitable books
