

# Year One

## Beech and Oak

12th September 2014

### Maths Focus

This week we have been thinking about numbers. We counted, read, wrote and ordered numbers to 20 and beyond. Why not look out for numbers in and around your house and when you are out and about. Maybe you could ask an adult to set a 1 minute timer and give you numbers to write down. How many can you write in a minute?

### Wild Place Helpers

Thank you if you have signed up to help at the Wild Place. We aim to go on Thursday afternoons but we only go if we have the correct ratio of adults to children. Each class will need 2 or 3 adults to come with us each week.

We leave school by 1:30 and are back before 3:00. You will have a small group of children to work with and we plan lovely activities for you. We will explain exactly what you need to do each week.

### Dear Parents,

We have had a lovely and very busy week this week. We found out that our topic is "All About Us". We brainstormed some ideas together and we were impressed by some of the ideas the children came up with! We had a fantastic time on our first Year One trip which was a sculpture walk around Guildford. Thank you to the many, lovely parents that came along to make this outing possible. The children were very inspired when they made their own clay sculptures at school.

**Emily and Sheena :)**

### Cooking Money

We cook once or twice per topic in Year 1 and ask for a donation of £3 to cover the cost of ingredients. Please pop this in an envelope and send this in to Emily or Sheena. Thanks!
