

Just to let you know

Welcome to Year 3!

The children have settled in really well to the start of term; they have been an absolute delight!

We have spent a great deal of time working on friendships and playtimes, really trying to ensure that the children have happy times and good relationships with each other.

They have had a super time today with their new Yr 6 buddies!

Reminders

Wednesday 10th Sept: 3G start swimming.

Thursday 11th Sept. @ 7pm: Curriculum Evening. We'd love to see you all! We will be talking about what your children will be learning this term.

Reading Journals - These are new documents that will contain all the different reading activities that the children will be involved with. We would like these to go home and return to school every day. They will be a really important record of all the reading and comprehension that goes on.
