

Year One

Beech and Oak

25th September 2015

Maths Focus

The children have really enjoyed learning all about the days of the week. We learned about 'yesterday', 'today', and 'tomorrow' and that Saturday and Sunday are the weekend days.

We talked about o'clock times of the day. We learned how to draw the long and short hand on clocks.

At home why not try looking at the clock each time you do different activities. What time do you brush your teeth in the morning? What time do you have tea?

Next Week

We will be working on 'Taking Away.' We will be using counters to work out different take aways and then will write the take away number sentences.

$$10 - 4 =$$

$$12 - 3 =$$

We have received lots of **One Page Profiles** back from you. Thank you so much. They are very helpful. If you are not sure what to do please just ask Sarah or Sheena.

English

This week we have been writing some invitations to Reception. We have invited each class to visit us in Year 1. We are really looking forward to showing Reception our classroom, our lovely work and sharing some tasty fruit.

Science

We have had a really interesting week finding out the answers to some questions the children asked us about animals. Children were very keen to find out what different animal skeletons are like, what the inside of a snake is like and also what different animal babies look like.

Library Books

There will be no library next week because of our Wisley visit but usually the children visit the library on Monday mornings. Please remember to send back the library book so that your child can choose a new one. Thanks :)

Wisley Visit

We are looking forward to our lovely visit to Wisley on Monday to take part in the 'Stop, Look and Listen' workshop. Please remember to give your child his/her school water bottle and a packed lunch (containing no nuts or nut spread please). We will leave school at 9.15am and return by 2.45pm.

Please keep an eye on the weather and if it looks as if it might rain on Monday please bring a waterproof coat. Please wear a school jumper, t-shirt and joggers with trainers or comfortable shoes.

Baby Photos

Please send in a photo of your child as a baby/toddler next week if you haven't done so already. Thank you

Cooking Money

Thank you for the money received so far! We ask for a donation of £5 to cover the cost of ingredients. Please pop your money in an envelope and give it to Sarah or Sheena.
