

We are very pleased that so many children are getting to school on time and arriving in class at 8:40am ready to learn! This has ensured that we can make the best use of our time in the mornings. Thank you.
Claire, Alison and JJ.

Curriculum News:

English:

This week we have been identifying the syllables in different words. We have been using lots of clapping to help us! Later on in the week the children used their knowledge of syllables to construct animal Haiku poems.

Maths:

The children have been investigating addition this week and used number lines to support this. We have also been practising counting up and down in tens from any number. E.g. 14, 24, 34, 44 etc.

Topic:

Singing practise is underway in preparation for our Year 3 No No Noah Performance. Ask your child to give you a quick rendition!

Spellings: able, table, reliable, probable, vegetable, fable, available, capable

Reminders:

Your child will need their P.E kit every **Wednesday** and **Thursday**. It is really important that your child has the correct kit so that they are able to participate safely. If you have not been able to purchase any please talk to your class teacher.

Reading Journals

Just to clarify our arrangement with changing books. We aim to be available to change your child's banded book three times a week. This does not, however, mean that they must be changed this regularly. Please ensure you are discussing the text with your child. Often there are suggested questions and activities at the back of the banded books.

Our library book change day is Wednesday. This is when the children are given the opportunity to explore the school library and choose books that you can read at home with them.
