

Just To Let You Know...

Willow & Hazel

Below is a link demonstrating how to pronounce the different sounds we teach.

http://www.youtube.com/watch?v=BqhXUW_v-1s

In maths we have been singing lots of number songs to 10, counting objects carefully and matching them with numbers.

Please encourage your children to dress themselves at home as this will really help when they start changing for PE!

Cooking

Thank you for your cooking donations! We would be very grateful if you could donate £5 to help cover the cost of ingredients. This week we make jelly.

Mr Proud Cloud

In the corridor is a wallet of Mr Proud sheets. If your child learns to do something or experiences something new we would love to hear about it! It doesn't need to be in great detail-just a few sentences with a drawing or even a photo to add to your child's learning journey please.

Next Week

Willow will be learning c/k, e, and h
Hazel will be learning r, m, and d
We will also be having a number hunt in the Rainbow Room and sorting and grouping Mr Men in different ways.
E.g. Colour, shape, hats and no hats etc...

Wild Place

The children who stay full time had a lovely time exploring the Wild Place on Wednesday. They're looking forward to showing their classmates in the coming weeks.

If you are able to join us, please let Sian or Frances know or sign up on the list in the corridor.

We leave at 1.30pm and will be back for home time at 3pm. If you think you'll be helping fairly regularly, could you please see Jane in the office about getting a DBS form.

If your child can say hello in another language, we would love to hear about it for our hello board and register times.

If you need another hello sheet, just ask your class teacher.
