fable
available
capable

Maths Day

Friday 5th October will be a full day of maths; you are invited in to school from 2.30pm so the children can show you how we teach, and they learn, maths strategies.

Marwell Zoo

We will be visiting Marwell Zoo on Tuesday 9th October. If you are able to help, please speak with your child's class teacher. Children will need to wear school uniform (trousers or joggers for girls) and trainers.

Individual photos

These will be taken on the morning of 11th October.

Fluffy Friday

This is a non-curricula day on Friday 12th October —details to follow!

Curriculum News:

English:

We have learnt about alliteration through a story 'We're all in the same boat'. The children wrote some super alliterative sentences which they then used to write a poem about all of the animals travelling to get on the Ark.

Maths:

We used our place value knowledge to rescue Clare—you will be very pleased to hear our 'Mission Impossible' was successful!

Topic:

We found out all about the water cycle and made our own rain gauges to measure and record rainfall at school.
