

# Just To Let You Know...

Reception - Week 2

Friday 13th September 2019

## Tapestry...

Thank you to all of the parents who have filled in their Tapestry consent forms. We'll be having a 'refresher' session on Tuesday 24th September just before the 'Phonics Evening' for parents who are new to Tapestry or could do with a refresher.

After that meeting, we'll be launching observations so you'll get regular photos and comments to see what your child has been learning.

If you're unable to make the Meet the Team evening or the Phonics Evening, please feel free to email us so that we can email you some notes from the evening.

## Other bits and bobs...

Here are some things you could be doing with your child at home...

Share lots of stories together. Why not take a trip to the library? We love reading at Pewley Down!

Enjoy the sunshine! September usually brings some beautiful weather.

Go on a listening walk. What things can you hear whilst you're out and about? Have a go at imitating noises, like birds chirping or the water coming out of the tap.

Singing lots of nursery rhymes. We've been enjoying 'Wind the Bobbin up' this week. Next week we'll be singing '5 Little Speckled Frogs' as we think more about rhyme.

Dear Parents,

Welcome to your first JTLYK! We'll use the JTLYK every week to tell you a few things that we've been up to in Reception during the week and let you know what's coming up. We'll also use it to remind you of dates and other things to think about.

The Reception children have really settled into school well. They have loved their first few days of school. We're really excited about having them back in next week for full days. Please remember that they'll be very tired, even if they have been used to full days at nursery before starting school.

We're looking forward to meeting you next week at our 'Meet the Team' evening on Wednesday 18th September, starting at 7pm in the hall

Have a lovely weekend!

Love, Claire and Catherine and the rest of the team x
