

Just to let you know

Maths

In maths this week, the children have been looking at percentages and learning simple ways of working out how to find a percentage. We have given the children a percentage bubble sheet to help. Ask them to explain how to use them.

English

In English this week, the children have continued to look at the poem 'The Highwayman'. They have assumed the role of a character and written from their perspective.

Dear Parents,

The Baffling Bodies projects should be finished this weekend and ready to hand in on **Friday 23rd March**.

Next week will be Sports Relief in school and each year group will have a day to take part in the pedometer challenge. Every year 6 child will be given a pedometer to wear on **Monday 19th**. The aim is to get active and we are aiming for each child to walk approx. 22000 steps.

Next Friday (23rd March) will be a non-uniform day and we are asking the children to come in sports kit (team kits, sportswear or PE kit will be fine). A £2 contribution will be requested from each child to raise money for sports relief.

Spelling Rule

definite	embarrass
desperate	environment
determined	equipment
develop	especially
dictionary	exaggerate
disastrous	excellent
existence	explanation

Homework

Spellings: Words from the Yr5/6 spelling list (please see above).

Reading task and reading x 3 in reading record book
