

JTLYK Reception

Friday 15th February 2019

Curriculum Week

We thought it would be useful to show you how the week is planned:

Monday 25th - normal school day with children wearing school uniform

Tuesday 26th to Friday 1 March - children come to school as normal but wearing PE Kit with House t shirt.

Please note that the children will have a supervised encounter with some very friendly and cute pets during one of their sessions.

MATHS

Teen numbers

Children find teen numbers quite tricky so we are giving them lots of opportunities to experience teen numbers in the real world. During the holidays please look out for teen numbers and try to spot and talk about them whenever you can.

Dear Parents

Well, here we are, already half way through the academic year!! We are really pleased with how much the children are enjoying their learning and we think that they all deserve a lovely rest next week!

When we return to school please try to say goodbye at your child's coat peg or by the entrance. We would really encourage parents to try not to come into the classroom. If you need support with this then please ask!

We have been learning how to write a sentence, remembering to use a capital letter, full stop and finger spaces. When you are reading a story with your child, why not try to spot these sentence features on the page. Have a chat about the corresponding capital/lower case letters too!

Have a great half term!

The Reception Team :))

Chicks

Please can you make sure that your donation of £6.50 is with Ruth today. The cute chicks are surprisingly expensive and we cannot have them without your support. Thank You!
