

People Who Help Us

Just to let you know...

Reception

Hazel & Willow

Phonics

Next week we will be playing lots of games related to recognising and reading the diagraphs in words. When reading with your child at home it is a good idea to spot the diagraphs in words when sounding out a new word.

The New LEAP!

After gathering all the children's ideas the result of the Year Group vote is

'We want to learn more about Policemen, Fire-fighters, Dentists, Lifeguards, Doctors and Nurses, paramedics and Mountain Rescue!'

Friendship letter

A letter has gone out asking you to please write 4 names of children from the whole year group who you would like to be with your child next year. We will do our best to ensure that your child is with at least one from your list. Please return the form to the school office by Monday 23rd June.

Toys

Thank you for all the toys and jigsaws that have been brought in for Reception. If anyone is clearing out lego or duplo or wooden train track we would be very grateful for it too. Thank you

Nursery Visits

Sarah and Sian have finished visiting the new Reception children in their nurseries now. Well done to Hazel and Willow class who have been very good while we have been out of the classroom.

Trip to 'The Look Out' on 11th July

We are looking forward to this. If for any reason you haven't seen the letter then please ask us for one!

Maths

will be continuing with practical subtraction and also will be writing some subtraction number sentences. Eg $10-3=7$
