

This week we have completed formal letters of complaint after imagining everything that could have gone wrong on a holiday!

**SPELLINGS— Making nouns**

**plural** pictures, creatures, tables, brushes, boxes, churches, leaves, hooves, knives, allies, lollies, poppies, potatoes

**Bonus word:** excellent

We have spoken to the children today about using deodorant and making sure PE kits are washed frequently. Under armour can be worn for PE lessons, but is not part of school uniform. We also have an outbreak of headlice in the year group so please check and treat accordingly!

**Please could you sign in your children's diary when they've read three times during the week. 6C and 6ST will be group reading on Thursday at 9am**

# Just to let you know...

**BIKEABILITY GROUP 5**  
**Starts Monday!**

We enjoyed our trip to Holy Trinity Church to see the exhibition of photos set up by the charity Jubilee Action who are working to support children affected by war in Uganda. We then asked the children to write about one photograph in particular—see the website for some great emotive reflections.

Dear Parents,  
You should have received letters about our trip to Wisley. Please send in reply slips and cheques as soon as you can. Next Friday we will be attending the Crown Court Service at Holy Trinity Church. Please ensure children wear smart school uniform and school shoes.  
Best wishes  
Clare, Tracey, Sarah, Mary and Helen

In maths this week, we have begun an investigation where the children have designed a log cabin. This has involved careful measuring of area and perimeter and will also give the children chance to work to a budget.  
See if your child can work out the area and perimeter of various rectangles eg  
9m x 12m    15m x 13m    2.5cm x 5cm  
They all realised how important times table knowledge is! Keep up the practice!
