

Dear Parents,
The children have come back ready to get involved in their topic and more specifically their city. We will be making artefacts and creating goods which show developments from the industrial era. In English we have been reading excerpts from 'Tom Brown's Schooldays with a view to creating a narrative piece of writing from one of the characters' point of view.
Best wishes,
Helen, Mary, Alison & Sarah

In maths this week the children have been busy looking at Victorian data which has been represented in a variety of ways.

They have been tasked with coming up with three questions that they could answer and also show a way of representing the data.

Ask your child if he/she can remember how to add and subtract in old money?

How many pennies are in a £1.00?

How many pennies are in a shilling?

Dates for your Diary

Friday 12th June—Summer Fair
Monday 22nd June - Friday 26th June - Preston Montford
Thursday 2nd July—District Sports
Friday 3rd July—Junior Citizen a.m.
