

Just to let you know

17.6.2013

Sleepover Fun!

The Sleepover night was a great success! The children were very well behaved and enjoyed all the activities. Thank you to everyone who helped during the day and evening. We couldn't have done it without you!

World War II Tea Party 1:45-2:45pm Thursday 27th June school hall

We look forward to seeing any grandparents or older friends at this event and perhaps if they are feeling brave they may like to share some of their memories with us.

For this occasion we wondered whether you and your children could possibly bake a cake, send in a tea pot, cups and saucers etc or an old tablecloth. Please could you possibly let your class teacher know if you can help in any way.

Please can the children wear the following clothes:

3MG-1940s clothes 3S-school uniform 3G-white tops and black skirts/trousers and aprons or ties.

Weekly Spelling Focus

Looking at words ending in 'le',

apple saddle circle miracle handle

poodle bible grumble possible

terrible example crumple

See if your child can investigate and sort more words with 'le' endings.

Curriculum

The children have enjoyed watching the last *How We Used to Live*, and are busy writing their recounts. This programme has been a great resource to enrich their knowledge of life during WW2. We are enjoying sharing the replies from our Flat Evacuees- they have been on some incredible journeys! In Maths we have continued the four operations and different written methods for recording these calculations. This week we have been using our known facts (eg. quick recall of times tables, etc) and knowledge to solve problems.. We are continuing to develop an understanding of inverse operations.

Our thoughtful time this week involves reflecting about heaven and what it means to us. We used an extract from CS Lewis *The Last Battle* which got us all thinking.
