

CURRICULUM NEWS

Maths: We have been looking at fractions again this week. Reminding the children about numerators and denominators. The children have also looked and mixed fractions and the different ways they can be displayed. We have also been using some new fractions apps on the school's iPads.

Mathletics: A task on fractions has been set

English: The children have been working hard on their evacuee letters. We have been looking at the structure of letters and at using the correct tone for an informal letter. We have been adding short anecdotes and describing the billeting process.

Reminders and Notices

The date for the Year 3 tea party has been changed from the 4th of July to Thursday the 3rd of July. We realise this clashes with district sports.

Unfortunately due to a packed summer term we are unable to avoid this clash. A theatre trip has been booked for Years 3, 5 and 6 on the 4th July.

Spellings

ration, allotment, countryside, vegetables, survival, Britain, regular, quarter

We had a fabulous day walking to St Martha's on Monday. We were blessed with beautiful weather and enjoyed seeing a genuine WW2 pill box and looking at the stunning views. A big thank you to all the parents who came and helped.
