

JTLYK YEAR ONE
FRIDAY 9TH JUNE 2017

Phonics Screening Week

We will be carrying out the national phonics screening on all your children starting on Monday morning. Please continue to work on the Sound of the Week activities over the weekend and make sure that your child has plenty of sleep all week! We will be doing the screening in a fun way, the same way as we usually assess them but with lots and lots of stickers!

Thank you again for your support at home.

Dear Parents

What a fun and busy HEALTHY week we have had. Thank you so much for sending your children in every day with their PE kits on - they have been well used! The children have learned about the many aspects of being healthy including learning new sporting skills (Circus skills, Run with pedometers, Skipping, Dance), healthy eating through making fruit kebabs as well as learning new games for outside time. The children have also learned how important it is to relax and express their feelings. We also found time to 'Run to Sochi' and make some How To Stay Healthy Posters too!

Painshill Park Trip 4th July

You should have received a letter about our exciting trip by now ... please let us know if you have not seen one!

We hope you have a safe and restful weekend!

Do you have any spare wool?

We are teaching the children how to weave next week and would love any spare wool (the thicker the better) that you have at home!
