

Friday 18th October 2013

### Topic Fun

This week we have been thinking about the story of the Great Fire from the point of view of the people who were there. We have imagined that we were there, on Pudding Lane, and using drama to help us imagine what it might have been like to escape across the roof tops or bury the things that are precious to us to keep them away from the flames. We have used our fantastic model of Pudding Lane to role play the story with play people, and are writing our own diaries in the style of Samuel Pepys.

### Spelling and Phonics

This week we have been revising 'ie' words such as in pie, lies, died, replied, cried, occupies, flies. Make sure your child can read and use these high frequency words in a sentence - day, about, house, said, so.

### Maths

Thank you for coming to the Maths evening. We will send home the information with your child if you were not able to attend.

If you would like some activities at home please practise with your child counting in 2's, 5's and 10's. You can use a Hundred Square to look for patterns. Can your child tell you what is 10 more than any number?

**We have attached a Hundred Square to help.**

### I'm Bored Box

Go outside and collect some beautiful autumn leaves in as many colours as you can. Can you make a fire collage with them?

### Things to Remember

#### Great Fire of Pewley

This is **planned** for Thursday 7th Nov at 1.45 pm.

#### End of Term

Don't forget that we finish at 12 noon on Wednesday. We are going swimming as usual.

### Writing corner

Can you keep a diary over half term? You could make a special book to write in and tell us all about what you have been up to. Don't forget to use time words to get the events in the right order—**next, then, after that....** and to tell us about your feelings; **excited, worried, cheerful, amazed.**

Can you think of more interesting words than "happy" and "sad"?

# One Hundred Square

|    |    |    |    |    |    |    |    |    |     |
|----|----|----|----|----|----|----|----|----|-----|
