

Dinosaur Topic fun

We got this term off to a fantastic start with the unexpected discovery of dinosaur bones in the wild place! We have been finding out about the work of Palaeontologists, learning to use all the evidence to understand as much as we can about the dinosaur from its bones.

We have also been using our imaginations to create fantastic exciting stories about what might happen if the dinosaur came to life!

Things to do...

Get together lots of junk modelling stuff and make a dinosaur. You could use the pictures in books to make it realistic, or invent your own. If it's really big, take its photo before you bring him in to show us!

25th April 2014

Have a go at spelling these words

hot trot fetch carry
walked
because feelings sticks
spoke given
food posters pond
window wheel grass
people bushes blanket
horse

Reminders

Please sign up if you can help at the **Wild Place** on a Tuesday afternoon.(list outside Sheena's door).

The children will need an adult sized odd sock (we know you all have some!) to make dinosaur puppets during Art carousel. Please bring them in by next Monday.

PE and swimming on a Wednesday- Children should come to school in their PE kit.

Natural History Museum- 13th May
Don't forget to come and tell us if you would like to help with this trip.

Maths Corner

This week we have been learning to use the $<$ $>$ and $=$ signs.

We learned that the 'crocodile mouth' always eats the **BIGGER** number!

Can you use your toys to sort them into ones that are bigger than, smaller than or the same?
