REMINDERS

- We hope you are enjoying reading with your child. It would be lovely to see reading books and reading records in school everyday.
- PE & Games are on a Wednesday but it would be really helpful if P.E. kits were brought in and left on the pegs.

A brilliant day was had by all in the Chantries on Monday with our buddies; building dens and playing a variety of games. Checkout the photos on the website!

If you are free we would really appreciate adult help :

3S—Friday 9.30 am Group Reading and 1.15 pm Art Carousel

3G—Thursday 1.30pm Art Carousel

3MG—Monday 1.15pm Art Carousel and Friday 11.00am Group Reading. Many Thanks!

CURRICULUM

We have launched our Noah topic and the children have measured out the Ark in real terms on the green! We used traditional measurements such as the Cubit, spans and digits. Can your child remember what these are and are they able to recount the story? In Maths we have been looking at Place Value and practising writing our numbers correctly. Please help your children to learn their times tables, starting with 2,5's and 10's. There are lots of super websites to help you, try; woodlands-junior.kent.sch.uk/maths
