

Just to let you know...

Phonics

This week we are going to be applying our curly school writing to make 3 letter words. Do practise with your child at home and come and see us if you need a new sheet to remind your child how to form the letters.

After school clubs

Clubs will be starting this week. However due to demand, some clubs have been split into half term chunks. Do check your form to see if this affects your child. Clubs finish at 4 O'clock and you can collect them from the front playground. Depending on which classroom they are based in, they may come out of the main doors or the front door by the top steps.

A plant plea!

The children are loving being outside in this weather. We are planning to do lots of planting in the next few weeks. If you have any compost, spare veg or flower plants you'd be willing to donate we'd be grateful. Thank you for all the bulbs you gave in the winter. The tulips and daffodils are starting to make the Reception garden look really colourful.

Reception

Maths

This week we are going to teach the children how to record numbers by tallying.

Hazel & Willow

Cooking Corner

Butterfly Shortbread
