

# Just to let you know...

Reception

Hazel & Willow

## Sporty Healthy Week.

We have had a great time this week trying out lots of different sporty activities as well as making and tasting fruit kebabs. We enjoyed Boogie Pumps, a skipping workshop, circuit training, obstacle courses with bikes in the Rainbow Room and lots more! We have talked together about how to keep healthy, how important it is to drink enough water and what sort of foods are good for your body.

## Phonics

We will be continuing our work on writing simple sentences with a focus on using key words, finger spaces and full stops.

## Maths

We have started to look at how to halve numbers and will continue this next week.

## Toys?

If you are having a bit of a sort out of toys at any time we would be grateful for some toy cars, animals, Duplo, Lego etc. Thank you
