

Pause Day

Pause day gave us time to reflect on Easter and why we celebrate . We learned about the Feast of the Passover and how Jewish families celebrate at this time of year. The children decorated eggs for our Easter tree and found out about the Seder plate. We celebrated our own Passover meal at the end of the day .

Visit to Pewley

The children loved sharing their Greek myths with our Pewley friends. They were so animated and it was wonderful to have such a great purpose for writing and an audience to share our work with.

Lost Property

We have far too much! Please check the lost property at the bottom of the ramp if your child has anything missing.

Reading Carousel!

We will hold a meeting at 9 am on Wednesday 24th April to explain the new activities—please let Alison know if you are able to come.
