

# Just to let you know...

## New LEAP

We are all very excited about the new LEAP! You will probably already have heard that we are going to be basing our learning around **WATER** ! The children have already given us lots of suggestions for what they would like to find out about, make, and do.

## Cooking Corner

Making a banana boat (banana, vanilla ice cream, and chocolate sauce)

## Our Butterflies

It was amazing to see the butterflies leaving their net and exploring the flowers in the playground.

## Reception

## Hazel & Willow

## Maths

Next week we will be using water and exploring capacity. We will be comparing different sizes of containers and which 'hold more, hold less' and what 'full', 'half full' and 'empty' looks like.

## Phonics

We have been busy finding tricky words in books and reading them together. Next week we are going to be using the tricky words and having a go at writing our own simple sentences.
