

Curriculum News:

English:

This week we have been looking using full stops and capital letters correctly.

The children have been learning how to sequence sentences. The children have written postcards about their holidays.

Most children have had the chance to meet our librarian and look around the library.

Maths:

The children have been showing us their understanding of place value and partitioning. This has involved breaking 3 digit numbers in to hundreds, tens and units.

Topic:

Our topic this term is Noah's Ark. Each class has started reading Noah's Brother the children's book by Dick King-Smith. We have been practising mixing and blending colours in art. These will then be cut into different shapes and displayed in the classrooms.

Reminders:

Please remember PE is every Wednesday.

Swimming will start for 3G on Wednesday the 18th. 3C will swim in the Spring term and 3N in the summer term.

Every child has been given a reading Journal.

These are very important books that need to be in school every day. They will be used to record your child's reading progress and for class based reading activities.

Clarifying date: Curriculum evening is **Tuesday**

17th September at 7pm.

Marwell Zoo: Thursday 10th October. We would be very grateful for parental help for this trip. If you are able to help please email Ginnie.

The children continue to settle in well and we are all enjoying getting to know them better.

{Please remember that you can either come in and see us at any time or write us an email (our addresses are on the school website). Have a great week.

Best wishes.

Claire, Ginnie and Nick.

From Monday your child will bring home a list of spellings in their reading journal. These will also be available on Just To Let You Know next week.

From time to time children will bring home work to finish. Please could you remind them to check their bags in the evenings.
