

JTLYK Year One  
Friday 24th June 2016

### Maths

This week the children have been using bead strings, counters and bricks to work out bonds to 10 and 20. We are aiming for a good speedy recall.

### PHONICS

Thank you very much for continuing to encourage your child to practise each week in his/her 'Sound of the Week' book. This week your child will be practising forming the numbers 0-20 and writing the number names as carefully as possible.

### A Reminder

Our Painshill Park visit is on 4th July. Children to come dressed in a simple pirate costume please and shoes or trainers that they can walk in easily.

### Dear Parents

We had a great time at The Wild Place this week, reading a pirate story and building wonderful pirate ships! (Pictures are on the website.) Thank you to the parents who have contacted us to offer to talk about a country. The children were fascinated to learn about the ice hotel in Sweden. Thank you to Mylo's Daddy! We taught the children a little about Brazil this week too. Australia next week! Have a happy weekend and see you on Tuesday.
