

**JTLYK Year One**  
**Friday 1st May 2015**

### **Toast and Talk**

This morning the children took valuable time (after eating delicious hot buttered toast!) to share and talk about their maths work. We looked at what they are proud of and then the children came up with their own ideas for growth.

### **Maths Corner**

This week we have been building the children's confidence in addition and subtraction. We have practised using 100 squares, number lines, unifix and counting on using our brains and fingers! On page 2 of this JTLYK is a 100 square for you to print off and use at home. Give your child some simple adding and taking away number problems to solve using the 100 square. Try adding or taking away 10 ....

Dear Parents

Gardener George set us the challenge this week to learn all about scary Venus Fly Trap plants - we have one in each of our classrooms and are watching them very carefully! The children have enjoyed making up their very own exotic plant Top Trumps cards and are looking forward to playing with them...

Outdoors this week the children created Andy Goldsworthy inspired sculptures from natural resources. In art they have produced beautiful spring flower paintings.

We hope you have received a handwritten invitation from your child to the Garden Party on the 20<sup>th</sup> May at 2 pm. The children are looking forward to sharing their plants, topic books, paintings and outdoor area growing with you!

Enjoy the bank holiday weekend!

Emily and Sheena :))
