

## Maths

We have had a super week this week learning to use different methods to add one and two digit numbers. We used coins, hundred squares and dienes blocks to add carefully and to check our answers.

$$\text{E.g. } 12 + 10 = 22 \quad 14 + 11 = 25$$

$$35 + 10 = 45 \quad 26 + 11 = 36$$

For a bigger challenge, try adding any 2 digit numbers to each other.

## Farmers' Market Trip 2.10.18

On Tuesday 2nd October for our trip children need to be in school at the usual time. We will leave at 9.30am. Please make sure your child has a waterproof coat, as we will go whatever the weather! If you haven't already brought your £1 please hand it to Ruth in a named envelope. We will be pooling the money to buy things for both classes to share. If you would like to help us on the trip please tell Ruth. We are looking forward to having our Mrs Armitage picnic on Tuesday afternoon.

## Christmas cards!

We will be sending home the FOPS Christmas card in book bags this week. The children have had fun painting Christmas trees! Please return the order form to school by 5th October. Thank you

## Science Spectacular! Tuesday 16th October

You are welcome to come to Year 2 from 1.45pm onwards and the children can show you their science investigations and their Topic, English and Maths books too!

## JTLYK Year 2 Walnut and Chestnut 28.9.18

## Green Home Fun Books

Please look out for the Home Fun Books which will come home each Friday. Books to come back to school please on Wednesday. Thank you for all the photos you sent us.

Please tell us if your child enjoyed the activity. Please only spend about 10 - 15 minutes on the home fun.
