

Fluffy Friday

The children ended the term enjoying a morning of exciting activities. It was fantastic to hear about all of the wonderful things they had been up to!

Year Two

Walnut & Chestnut
15.02.19

Well done to everyone!

The children have worked so hard this term learning and joining in so well. Have a great half term and a good rest :)

Writing

This week the children have impressed us with their creative writing. It is lovely to see their hard work paying off. We were particularly impressed with their handwriting and use of conjunctions such as and, but, because and so. The children are getting better at editing their work and checking for full stops and capital letters.

Bedtime Stories

We all had a great time on Wednesday evening sharing bedtime stories tucked up in blankets, pyjamas and with cuddly toys. Thank you to FOPS for providing hot chocolate and biscuits!

Maths

This week we revised our knowledge of fractions. We also thought about how to use our number knowledge to reason and solve problems. The children are working really hard on this.

First week back

There will be no swimming the first week back as it is curriculum week (27.02.19). Don't forget that children should wear PE kits Tues-Fri this week.

We had a wonderful morning with Delilah's mum, Suzy, on Thursday. She helped us to create some beautiful Arctic artwork which the children loved! Thank you for all of your organisation and ideas!
