

This Week...

We have been reminding the children how to write questions which start in different ways eg. How, when, why, where etc. We have been encouraging the children to use the Year 2 spelling word mat and they are getting much faster at finding the word they need or are able now to spell it without looking!

The children had fun writing a letter to a Wild Thing and are becoming very good at using a wide range of adjectives.

We have also begun to learn about the world, looking at countries, continents and oceans on maps and in atlases. Ask your child if they can remember the names of the seven continents and the five oceans that surround them.

Here's a song to help you remember them all: https://www.youtube.com/watch?v=_Px4zP9rPo

Friday 25th January 2019

Dates

On 6th February we are looking forward to welcoming the International students from Guildford College who are coming to meet our children and tell them a little about their country.

Year 2 JTLYK

Swimming clothing

If your child borrows any school spare swimming clothes or a towel please don't forget to bring them back to us.

Home Fun

Last week we made some fortune tellers which we gave to the Danish visitors. The children are keen to make their own so we hope that they enjoy making one for Home Fun as well as using it to practise their 2 x table!

Maths

This week the children have been very busy learning how to multiply and divide by 2 as well as applying this knowledge to problem solving. Thank you for working on o'clock and half past times at home. We have been continuing telling the time work in school and next week will work on quarter past and quarter to times. (We use the analogue time clock face.)
