

Just To Let You Know

Hazel & Willow

On Tuesday morning, Hazel and Willow met to vote for their new LEAP. So the LEAP this half term will be about...

Transport and Machines-how exciting!

This week has been about cars. The children have been exploring with wheels and ramps and finding out why wheels are round. We've made wheels and built roads. We've also started planning and designing our classroom role play areas.

Spring has almost sprung!

We'd like to give the Reception garden a bit of TLC ready for the summer. Any donations of plants, flowers or bulbs would be very much appreciated.

We are happy to plant these with the children. Equally, if you'd like to come in and do some gardening with the children, that would be lovely too!

Donations

If you're having a 'spring clean' we would very grateful of any donations of toys, junk modelling/cardboard materials (large or small.) Thank you!

Book Week

Next week is Book Week. The children will be learning in their house teams across year groups. Please read the school newsletter for more details. There will be a book themed dressing up day on Friday 4th March.

Wild Place

At last the weather seems to be milder and we'd like to go if we can. If you are willing and able to help-there is a sign up sheet in the corridor outside the classrooms. Please make sure your son or daughter has a named pair of wellies in school-the allotment is pretty muddy...

We are trying to make our Thoughtful tables more interactive. If the children have anything or find anything that inspires awe and wonder, we would love them to bring things in as part of a display.
